

Join us for an exciting 3-day acting intensive, where young performers will build confidence, creativity, and stage skills in a fun and supportive environment. Through engaging drama exercises, script work, and improvisation, students will develop their acting technique while collaborating with peers. The intensive culminates in a special performance for family and friends, showcasing the students' hard work and talents. Whether your child is a budding star or trying drama for the first time, this program promises a memorable and rewarding experience!
