Dear Students, Parents and Carers,

**Re: Path Change in Sunshine Cove affecting students utilising CDC School Bus
Route 5701, 5716, 5729 & 5745 from/to Sunshine Cove Way near Hervey Chase hail 'n'
ride, Maroochydore**

Please be advised that commencing Monday 13th October 2025, CDC School Bus Routes 5701, 5716, 5729, and 5745 will no longer be stopping at 321055 Sunshine Cove Way near Hervey Chase hail 'n' ride, Maroochydore and will no longer travel past the Sunshine Cove Way and Bedarra Cct roundabout, as indicated by the red crosses on the image below.

This change has occurred due to safety concerns with the fact that the bus has to 'double-park' to set-down/pick-up students at this location.

These bus routes will instead complete a U-turn at the Sunshine Cove Way and Bedarra Cct roundabout. Affected students can utilise TransLink bus stops 322325 & 322326 Sunshine Cove Way near Sunrise Dr hail 'n' ride, Maroochydore as indicated by the green ticks on the image above.

If you have any questions or concerns, please call our office (07) 5476 6622

Yours sincerely
